Class: Primary 1 SY / C / G / SE / P / GR READING COMPREHENSION

Read the passage below and answer the questions that follow.

Ellie worried a lot about most things. Many things made her feel scared and nervous too. However, Ellie made herself feel better by being tidy.

In her bedroom, she liked to arrange her dresses in neat rows. She often spent a long time arranging all her special shells and stones on the shelf. Before she went to sleep, she always checked under her bed for monsters. Then, she arranged all her shoes around the bed as a monster fence.

At school, Miss Roo would ask, "Who knows another word for 'fast'?" or "What is three times three?"

Ellie always knew the answer but she never put up her hand. She was shy. Ellie had one best friend who lived in her pocket. It was a magic pebble. The pebble made sure nothing bad happened to her.

"Enjoying your lunch?" Crispin said loudly to Ellie during lunch.

Ellie turned red. She reached for her magic pebble but her pocket was empty. The pebble was gone! After that, everything changed. Everything sounded louder than before and everything looked bigger than before.

Ellie breathed hard. What should she do now? There was only one thing to do.

Ellie curled up behind the big, oak tree and cried.
