Section B: Comprehension (5 x 2 marks)
Read the passage carefully.

My family and I had just arrived at Universal Studios. My sister was trying to find an empty parking space on that Christmas morning. We found an almost completely empty row of parking lots on the Jurassic floor in the multi-storey car park.

We got out of the car and proceeded to our destination. Once at the entrance of Universal Studios, we saw the symbolic Universal Studios Earth Monument in front of us. Wishing to capture the moment, I asked my sister to take a photo of my parents and me standing in front of it. It turned out to be an amazing shot that would remind me of my experience every time I see it.

Once we were allowed in, I jumped up and screamed, "Awesome!"

First thing on the list of things to do was to get something to drink. The busy theme park sold drinks in containers with cartoon character covers. Next, we approached the gift shop and got a couple of cool souvenirs. I remember specifically asking for a Universal Studios Globe Symbol keychain that I still have to this day. After that, we wasted no time and had an enjoyable afternoon taking thrilling rides. After dinner, we went home after watching the fireworks.
