Read the passage carefully and answer the following questions.

On Saturday, Danial woke up early in the morning. His parents were bringing him and his sister to a theme park. His mother had prepared sandwiches for breakfast and there were some cookies on the kitchen table.

"Can I have some cookies?" asked Danial's little sister.

"Yes, darling. Your father made them last night and they are very good!" replied Mother, smiling at Father.

When Danial heard this, he raced to the kitchen and took some cookies too. After eating their breakfast, the family got ready for their outing.

When they arrived at the theme park, there was a huge crowd. Danial and his sister waited while Father bought the tickets. After changing into their swimming costumes, they headed to the slides. First, they went on the Yellow Slide. All of them sat on a float and splashed right into the water.

Later, the boys went down the Red Slide. Danial was afraid at first but his father coaxed him to be brave. They shouted as loud as they could on the way down! Danial had lots of fun and decided to go for another round.
