Section F: Comprehension (10 marks)

Read the passage below and answer the questions that follow. Your answers must be based on the given text.

There was a grocery shop in town. Many mice loved it as they could find food easily there. They ate all the food and spoiled all the bags in the shop.

The shopkeeper got worried and thought of a solution, "I will buy a cat and let it stay in the shop." The cat had a good time hunting and killing the mice in the shop.

The mice could not move as freely now and were afraid of the cat. They held a meeting and one of them said, "We must get rid of that cat!"

The mice sat down and thought long and hard. They realised that the problem was the cat moved quietly. Suddenly, a smart mouse stood up and said, "Let's tie a bell around its neck. That way, we can hear it when it is coming. "

"Yes, that is a brilliant idea!" said the mice, "now that we have a solution, who will tie the bell?" All the mice stood silent and still.
