Reading Comprehension

Read the following passage and answer the questions that follow.

John, Melissa and Hafiq decided to camp outdoors. Their parents had agreed to let them go camping together. They were excited as it was their first camping trip to Pulau Ubin.

That morning, they took a ferry from the ferry terminal to the island. When they reached the island, they took a van to the campsite.

"Where shall we pitch our tent?" Hafiq asked.

"The shady area under the tree would make a good spot," said Melissa.

John collected some branches from the trees. Using the branches as brooms, Melissa started clearing the ground of dead leaves. Then, Hafiq took out the hammers and knocked the pegs into the ground. Within an hour, the tent was assembled.

In the evening, John and his friends set up a campfire and cooked their dinner together. After dinner, Melissa played the guitar while the rest sang and danced. They had a lot of fun!
