Section I: Comprehension (8 marks)

Read the passage carefully and answer the questions that follow.

As soon as Mrs Twit sat down, Mr Twit pointed at her and shouted, "You've shrunk so much that your feet aren't even touching the ground!"

Mrs Twit looked down at her feet and Mr Twit was right. Her feet were not touching the ground. What she did not know was that Mr Twit had been playing a trick on her. Every night, he would stick a little extra wood to the four legs of Mrs Twit's chair. This made her chair higher, which made it seem as though Mrs Twit had become smaller in size.

"You've got the *shrinks*!" cried Mr Twit.

Mrs Twit was shocked and suddenly became speechless. However, Mr Twit, who still remembered that she had put worms in his noodles previously, did not feel sorry for her at all.

"What's going to happen to me?" gasped Mrs Twit.

"Your head will shrink into your neck," replied Mr Twit. "Then, your neck will shrink into your body. Your body will shrink into your legs, and your legs will shrink into your feet. In the end, there will be nothing left except a pair of shoes and a bundle of old clothes."

"Isn't there anything we can do?" cried Mrs Twit.

"There's only one cure for the shrinks," said Mr Twit. "You've got to stop putting worms into my food," he replied cheekily.
