Danny and Jimmy were classmates. However, they could not get along and often quarrelled over small things. Once, their teacher had to call their parents when they quarrelled during recess. She also advised the boys to respect each other and become friends.

One day, Danny decided that he would make the first move and be nice to Jimmy. When he saw Jimmy in school, Danny smiled and said, "Hello, Jimmy! Would you like to come over to my house to play this Saturday?" Jimmy was very surprised, but he agreed.

Jimmy arrived at Danny's house. He gave Danny a big present. Danny thanked him politely and invited him to play computer games. They found out that both of them liked the same game! They enjoyed playing computer games together. Soon, it was time for lunch.

Danny's mother had prepared his favourite meal of roast chicken and french fries. Jimmy's stomach rumbled when he smelled the food. Jimmy quickly finished his food and asked for more. Danny smiled and offered him the last piece of chicken. After lunch, the boys read comic books together. Then Jimmy went home.

After that day, the boys never quarrelled again. Jimmy even invited Danny to watch a movie with him. Danny was pleased that they could finally get along. Their teacher was pleased too.
