There lived a mother crab with her baby in a pond. One day, the mother crab left her baby in the pond and went to search for food.

The baby crab decided to take a walk to the field near the pond. She thought she would find more food there and wanted to surprise her mother. So she crawled out of the pond.

There was a hungry fox just next to the pond. He was searching for food but could not find anything to eat. As he was drinking at the pond, he saw the baby crab crawling out. His mouth watered as he thought about eating the crab.

The fox caught the baby crab. The baby crab begged the fox to let her go. She said, "I am very small, so you will still be hungry after eating me. I will call my friends here so that you can eat all of us." The fox wanted to eat more crabs so he released her. Immediately, the crab vanished into the water. The fox waited a long time for his feast of crabs but the baby crab never came back!
