Adam tossed and turned in his bed. No matter how hard he tried, he still could not solve the riddle David had told him after dinner. "Why can't David just tell me the answer?" Adam wondered as he stared at the big, bright moon outside his window.

Adam was about to fall asleep when he heard loud banging sounds. He looked around his room to find out where the sounds were coming from. The toilet door moved as something banged on it from the inside. "Who's there?" Adam asked nervously.

The toilet door continued to shake. Adam jumped out of bed. He ran into David's room and shook David awake.

"There's something in my toilet!" Adam shouted.

Unwillingly, David followed his younger brother into his bedroom. David switched on the light and walked towards the toilet. He opened the toilet door and Apple, their cat, scurried out.

"Apple has been trapped in the toilet the whole evening! It must have hidden itself under the sink when I was having my shower before dinner!" Adam laughed.
