Section G: Comprehension

Read the text carefully and answer the following questions. Your answers must be based on the passage read.

Ray and Jaley were at home by themselves since their parents were busy at work. The moon was full. The front door was locked. The children were in their bedroom, watching a scary movie. They did not hear the key turning at the front gate.

A while later, they heard a noise downstairs. It sounded like crying. The voice said, "The ghost of the bloody finger is at the front gate!"

The two children paused the video and looked worriedly at each other. Then the voice said, "The ghost of the bloody finger is on the stairs!"

Ray decided to see where the voice was coming from. He got up and walked towards the door without any fear. Jaley did not want to let Ray go by himself and followed him to the door. "The ghost of the bloody finger is at the bedroom!" The voice was much closer this time.

Listening carefully to the voice, Jaley opened the door. A familiar face was smiling, holding his finger with a small cut. "I am the ghost of the bloody finger... Do you have a bandage?" The children laughed.
