Read the passage below carefully.

Mrs. Tan was alone at home reading the newspaper. She was bored so she decided to read something else. The bookshelf was filled with storybooks, magazines and recipe books.

Suddenly, she had an idea.

"I'll bake a cake!" she exclaimed.

A picture of a chocolate cake in a recipe book caught her eyes. After she had read the instructions, she realised that she only had a packet of sugar and flour at home. Picking up her purse, she went to the supermarket to buy some eggs, butter and cocoa powder.

She returned home and started preparing the ingredients. She mixed the butter and sugar before adding in the eggs, flour and cocoa powder. Finally, she placed the cake mixture into the oven.

"A cake, the entire family can enjoy!" she said excitedly.
