On a warm summer day, Ellie, the elephant, strolled past the monkeys, the lions and the bears. The zoo was a lively place. All the animals were feeling excited, except Lucy, the giraffe. "The animals are so noisy! I can't sleep!" Lucy cried.

Ellie wanted to help her friend, Lucy. Ellie asked the other animals to keep quiet but it did not work. Just then, Ellie heard a soft, sweet melody. The bluebird was singing a lullaby to her babies. That gave Ellie a wonderful idea!

Ellie asked the animals to sing a song. The monkeys screamed, the lions roared and the bears just growled. After some thought, she decided to seek help from the wise gorilla. With the gorilla's help, Ellie arranged the animal sounds into sections, just like a band.

When it was Lucy's bedtime, the animals gathered around to sing a lullaby to her. Ellie conducted the animal band. Beautiful sounds spread through the zoo. As Lucy listened to the music, she fell asleep and snored softly.
