Last month, Samy was in the park with his friend, Peter. They were taking a walk. Just then, Samy spotted a puppy. It looked scared. Samy gently picked it up while Peter looked around the park. He was hoping to find its owner but there was no one in sight. They realised the puppy was lost and decided to take it home. Samy named it Sparkle. The boys took turns to look after it.

Last Sunday, Peter noticed that Sparkle was missing. The boys searched the house but could not find it. They were worried and decided to search for Sparkle around the neighbourhood.

While searching, the boys shouted, "Sparkle, where are you?" They hoped to get Sparkle's attention. Suddenly, Peter saw a little boy crying in pain and holding on to his leg. Peter and Samy immediately helped the boy up to a bench nearby. They cleaned his wound and put a plaster on it.

Feeling better, the little boy spoke in a soft voice, "Hi, I'm Meng Wee. Are you looking for your puppy? While I was playing, I saw a puppy running into that empty house." The boys heaved a sigh of relief. They rushed into the house. When they saw Sparkle, they rejoiced. After the incident, they promised to always be kind and to help anyone in need.

Elise and Mei Lin were neighbours and attended the same school. They were good friends and would always spend time together. One day, they attended a school camp. They took part in a treasure hunt for the first time and were determined to win.

During the camp, Mrs Tan, their teacher, conducted a briefing for all the participating teams. Elise and Mei Lin did not pay attention. They were busy talking about how to win the hunt. After the briefing, each team was given ten minutes to confirm their plans before setting off. Elise and Mei Lin argued about whose plan was better. After the ten minutes was up, they still could not decide and went to look for the treasure without having a plan. As a result, they could not find any treasure, unlike other teams who were doing well.

When they realised they were losing, Elise and Mei Lin got upset and started blaming each other. "You didn't collect the map!" Mei Lin complained. "You didn't listen attentively to the clues given during the briefing," Elise argued. Mrs Tan witnessed them arguing and advised, "Good friends should be working together instead of quarrelling."

After hearing that, they felt foolish and began working together as a team. Even though they did not win the treasure hunt, they learnt that working together as a team was more important than winning. For the rest of the camp, they worked well together and enjoyed each other's company. Mrs Tan was pleased that the girls had learnt a valuable lesson.
