Section F: Comprehension (5 marks)

Read the passage below and answer questions 26 to 30.

John and his friends were very excited as it was the first day of their Primary Four Adventure Camp at the Dairy Farm campsite. They gathered at their school's parade square at about seven in the morning and then boarded the school bus to go to the campsite.

When they reached the campsite, they began setting up the tents. After that, the pupils played ball games and tried out the obstacle course at the adventure site. It was fun and enjoyable. At night, the boys gathered around the campfire and sang songs. For dinner, they ate barbecued food. Lights were out at ten o'clock that night.

Everyone got up at 5.30 am the next morning. The boys did some light exercises before enjoying a healthy breakfast. Then, they went trekking and even had a go at climbing the rock wall. After lunch, everyone packed their bags because it was time to leave the campsite. However, it was with heavy hearts that they said their goodbyes and left for home. John was eager to tell his parents all about the camp.
