Section H: Comprehension Open-Ended (10 marks)

Read and annotate the passage. Answer the questions that follow. Your answers must be based on the passage read.

It was Friday afternoon and I was getting ready to go home. However, as a class monitor, I had to check if the classroom was clean before I left. I walked into the classroom and my eyes widened. Chairs and tables were out of place, and pieces of paper were everywhere. Nur and Xiao Ming were supposed to be on duty, but they were nowhere to be found. My hands balled into fists. "I hope they haven't run off home," I muttered to myself.

Just then, Nur and Xiao Ming came into the classroom, giggling.

"John, we went to empty the wastepaper basket and found this box. Guess what's inside it?" Nur held up the box.

Out popped a tiny green head. It was a green baby with a star-shaped antenna on its round head and sparkly silver eyes.

"Isn't it cute?" Nur exclaimed. I gasped and took over the box.

Regaining my composure, I told them to start cleaning the classroom. I played with the baby while Xiao Ming and Nur swept the floor. We did not know what to call it. I decided to name the baby UGB – Unidentified Green Baby. Soon, I heard a growl from its tummy.

"I think UGB is hungry. Let's find something for it to eat," I said.

We all thought hard. Nur suggested to find some milk. Luckily, the lady at the canteen drink stall gave us a bottle of milk when she heard what happened. The UGB finished it within two minutes.

I decided that it was time to find the UGB's parents.

"No!" protested Nur. "The parents dumped the UGB, so it must be that they don't love it. I'm taking it home to stay with me."

"Are you sure about that?" I said. "The UGB's family must be worried. You wouldn't like to be away from your family, would you?"
