(F) Comprehension 1

Read this passage and answer questions 31 to 37. (8 marks)

Sam wandered aimlessly around the garden of his new house. He spotted a ball and gave it a mighty kick. He watched the ball soar over the garden wall into a neighbouring garden that looked like a thick jungle.

Sam began imagining himself in the garden with wild animals lurking around and grew worried. "Oh no, how will I get my ball back?" he thought anxiously.

"Hello, anyone there?" he called, hoping for a response. There was silence. Suddenly, a voice cried out.

"Up here!" Glancing up, Sam saw a girl perched in a tree. "Hi, I am Ava," she greeted.

Sam introduced himself and explained about his ball. Ava agreed to help.

"I can see your ball, but I have some bad news for you," said Ava. "There's a wolf and three tigers guarding the ball! Stay there, I will get the ball back for you."

Sam started imagining wild beasts climbing over the wall. He crouched down with his eyes closed tightly. Just as he was expecting a wild beast to pounce on him, a hand touched him on the shoulder. He nearly jumped out of his skin. Thankfully, it was just Ava!

Ava led Sam through a hidden door in the wall. Inside the garden, Sam's fears disappeared. The "wolf" was actually Ava's playful dog, and the "tigers" were her three curious cats. Sam smiled. In this unexpected adventure, he found not only the ball but also a friend in Ava. With Ava's imaginative tales, even the most ordinary garden turned into a thrilling jungle filled with "wolves" and "tigers".

Read this passage and answer questions 38 to 45. (10 marks)

Theo, **buzzing with excitement**, clutched his new bug kit as he walked out of his room. His mind briefly wandered to bullies at the park. They would make threats and push younger children around. However, Theo pushed his fear aside, eager to explore with his kit at the park.

At the park, Theo's eyes sparkled as he searched the bushes for bugs. Magnifying glass in hand, he marvelled as he examined a beetle. "Wow! Look at this enormous beetle!"

Venturing further, engrossed in his bug hunt, Theo was unaware of the older boys walking towards him. "Hey! What are you doing?" one sneered, blocking Theo's path. Theo froze and his heart was pounding. Then, Theo remembered his father's advice: "When you meet a bully, stay calm. Fighting back can make things worse."

"Want to see the bugs I found?" Theo asked, trying to stand tall and sound confident, "They have pinchers!" The bullies scoffed and laughed at him. Calmly, Theo continued to respond with kindness. The boys were not interested.

"I am tired of this. Let's go," said one of them. The boy grabbed Theo's bug kit and threw it on the ground as they walked away. Theo hurried to check on his bugs. Despite the bullies' actions, he remained strong inside. "I'm glad I followed Father's advice," he thought. Just then, a clicking sound from a nearby bush caught his attention.
