Section E: Comprehension Open-Ended (10 marks)
Read the passage carefully and annotate.

Caleb, Lyra and I were playing at the playground at recess. From the corner of my eye, I saw someone in a long dark coat hurrying back towards our school. I turned to look at the direction of the suspicious man. I could tell from the tracks in the snow that the man had sat on the bench. He seemed to be up to no good.

"I'll get him!" I told my friends and leapt to my feet. I sprinted after the man. Within seconds, I almost reached him, but a shrill voice was heard.

"Rocket, stop! Where do you think you are going?" Miss Flores called from the playground. I slowed down to a stop. The suspicious man dashed into the school and I lost sight of him. I groaned but did not continue the chase. Otherwise, she would surely call my mother and I would have to face her wrath. Also, I already had to stay after school that day and I had no intention of being punished in school again.

When I got back to my friends, Caleb was holding a folded piece of yellow paper. His eyes sparkled as he waved it in the air. Another secret message!

"I thought I'd check underneath the bench, just in case! How lucky I was!" he said. He opened it as we crowded around him. It read:

By the time you find the note, I'm gone! Perhaps, run faster and you may catch me next time! Haha!

We stared at one another.

Caleb let out a big sigh as he threw the paper onto the ground. With her shoulders slumped, Lyra looked down, looking miserable.

I took the yellow paper and crumpled it in my hand. I looked around to see where Miss Flores was. She was nowhere in sight. It's now or never, I thought, as I turned my body towards the direction of the school.
