(21) [ ]

exercise in class. She gave us a piece of paper and told us to kramble it up and storm

on the piece of paper.

(22) [ ]

Mdm Anne told us firmer that no matter what we did, we must not rip that piece

of paper. We carried out her instructions accordingly. After that, she told us to unfold

(23) [ ]

and smooth the paper. Everybody scrutiny the papers in their hands. Mine had

become scarred, dirty and limp. I thought she was crazy when she made us apologise

to the papers in our hands.

At the end of the lesson, Mdm Anne explained that although we regretted our

(24) [ ]

actions and tried to fix the paper, the scars would still be there pemenently, just like

the scars a child can give when he or she bullies or hurt another child. The looks on

the faces of my classmates told me that they had understood the message behind

the activity.
