Section F: Comprehension (10 marks)

Read the passage carefully and answer questions 21 to 28.

One sunny morning, Mia was getting ready to go to her grandmother's house. On the way, she stopped by the bakery to buy a loaf of bread. As she walked past the park, she heard a soft mew coming from behind a bush near the playground.

Curious, Mia walked into the park and peeked through the leaves. There, she found a small, fluffy kitten. It was grey with white paws and had big, round eyes.

The kitten looked scared and hungry. Worried for the kitten, Mia gently picked it up and decided to take it home. She gave it some milk and wrapped it in a warm towel. Mia named the kitten *Whiskers*.

Later that day, Mia made several "Lost Kitten" posters with her mother and put them up around the neighbourhood.

The next morning, a little boy knocked on Mia's door. He was holding one of the posters.

"This is my kitten!" he said happily. "Her name is Bella."

Mia smiled and gave the kitten back to the boy. He thanked her and promised to take good care of Bella. Even though Mia was a little sad to say goodbye to the kitten, she was proud of herself for helping the lost kitten to reunite with its owner.
