Section G: Comprehension

Read the text carefully and answer the following questions. Your answers must be based on the passage read.

Otis, the dog, lived on the farm with his animal friends. One day, the farmer gathered everyone in the barn and placed a box in front of them. When he opened the box, out popped a little head. It was a puppy!

Otis was the first animal that walked to the puppy, followed by his friends. They sniffed at the little one as if saying 'hello' to him. When the puppy saw Otis, it stood on its hind legs. It looked at him with pleading eyes. Otis and his friends smiled as they looked at their new friend. Soon, the puppy pranced around and played with them.

When night came, the farmer put an old doghouse outside the barn, placed the puppy there and said, "Good night, little pup."

Otis and his friends yawned and went to sleep. In the middle of the night, Otis woke up to a pitiful cry. He was afraid of the dark but he walked to the doghouse. He found the puppy shaking its body uncontrollably. Otis took the puppy to the barn, where it curled up next to him and fell fast asleep.

From that night on, the puppy slept in the barn with Otis and his friends.
