Term 3 WA – Situational Writing Suggested Answer Key

Dear Mrs Low,

I am Lina Wong. I am writing to ask you to consider taking up my suggestion for the class outing.

I am suggesting that the class visit an animal shelter called Home for Tails (KI1) since most of us in class are animal lovers.(KI2) I am familiar with the place as my parents and I regularly help out there. We help by cleaning the animals' living areas when we are there. If we go there for the class outing, my classmates can learn to take care of the animals at the shelter. (KI3) I also believe that there are at least two ways my classmates will benefit from such an outing. Firstly, it would serve as a great reminder for them to be responsible pet owners. (KI4) Secondly, it would give those without pets a rare opportunity to interact with animals. (KI5) I can call and speak to the person-in-charge (KI6) to find out what are some of the tasks the class can help with.

I hope you will consider my suggestion as I truly believe it will be a meaningful outing for us to bond over a purposeful activity. Thank you for your kind attention.

Yours sincerely,

Lina Wong
